REMARKABLE BYNATURE

hotography of Central Gard

Rosemary House is the latest addition to The Green Quarter, a new neighbourhood in London's Borough of Ealing, one of the capital's largest and greenest boroughs. An impressive 2,500 new trees will be planted on the development and it also has 1km of canal frontage.

Residents can enjoy a wide range of on-site facilities, including a private gym, lounge, concierge service, residents' car club and co-working space, as well as three brand new padel courts and a planned swimming pool. You can also enjoy the flexibility of superfast connections across London with the new Elizabeth line at Southall station, just a short stroll away.

WELCOME TO **THE GREEN QUARTER**

The Green Quarter is a special place to live. From your home, you can enjoy the many benefits of modern, urban living in a beautiful setting, surrounded by nature.

PARKSIDE

Between the apartments and the tree-lined boulevard is a series of neighbourhood spaces the community can use.

The Green Quarter.

Spanning almost the entire length of the 4.5-acre Central Gardens, Parkside is the pioneering neighbourhood at

Apartments set along the tree-lined boulevard offer striking views across these expansive gardens, including trickling waterways, a community amphitheatre and play spaces.

ARY HOUSE

ROSEMARY HOUSE

Introducing **Rosemary House**, the newest addition to the Parkside neighbourhood at The Green Quarter. Offering a range of thoughtfully designed one and two bedroom homes, Rosemary House combines contemporary urban living with the tranquility of nature. Each home features spacious layouts, modern finishes, and access to lush green spaces, all within a thriving community.

Living in Rosemary House provides the perfect balance of style, comfort, and sustainability, creating an ideal sanctuary in the heart of this thriving, green neighbourhood.

You can enjoy the benefits of having excellent amenities right on your doorstep. Take some time to yourself at the on-site residents' only gym, co-working space or screening room, or explore the leafy trails threaded through the natural expanse of Central Gardens.

You can appreciate being part of a thriving neighbourhood, enjoying events at the amphitheatre or experiencing the play spaces and leafy trails threaded through the natural expanse of the Central Gardens parkland.

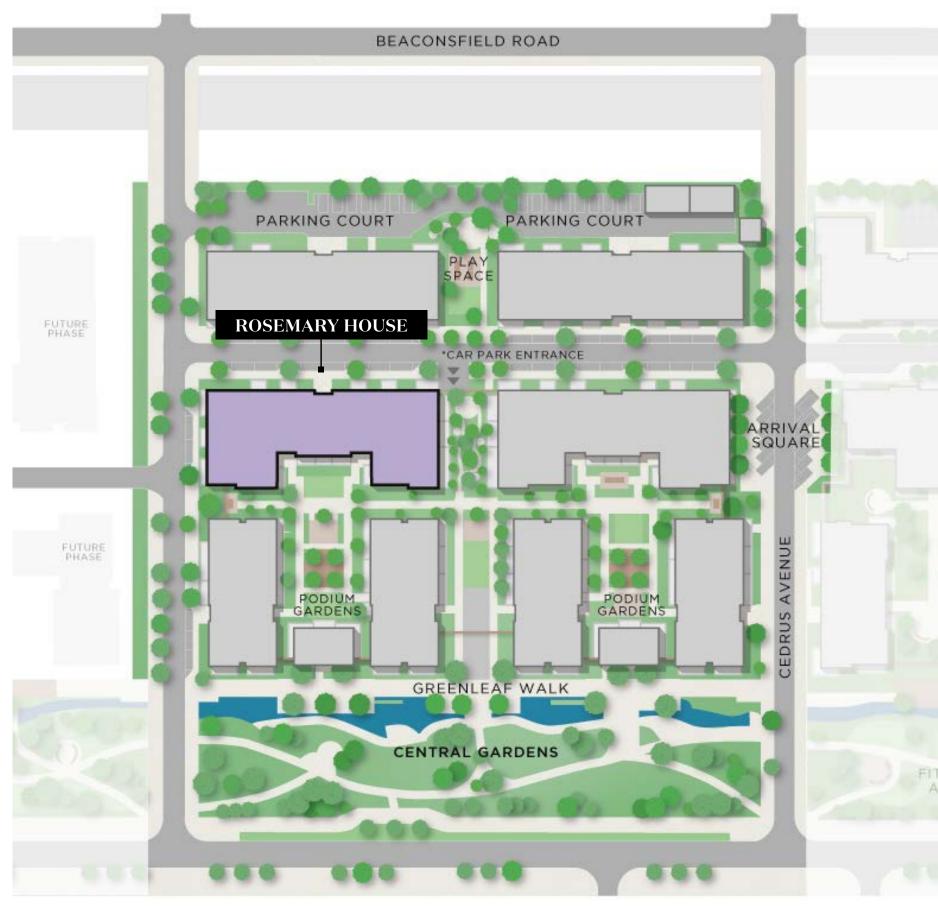

The Green Quarter

AND MADE AND AND A DESCRIPTION OF A DESC

ROSEMARY HOUSE

Rosemary House is built for sustainability and wellbeing, with green roofs and architectural flourishes that attract sunlight into bright, airy interiors, the apartment building combines distinct, organic textures in perfect synergy with nature.

Each apartment reflects the surrounding nature and offers easy access to residents' amenities and upcoming cafés, bars and restaurants.

If you're looking for rest and relaxation, the secluded residents-only podium garden on the first floor of your apartment building is the ideal spot to recharge.

A DIFFERENT PERSPECTIVE

At The Green Quarter, we believe that home should be more than just a place to live—it should be a place to thrive. Each apartment comes with a spacious private balcony offering wide ranging views out across The Green Quarter and providing a seamless extension of your living space.

"At The Green Quarter we believe that the benefits of nature and the sense of wellbeing that nature brings

should be part of everyday life."

KYM JONES Applied Landscape Design

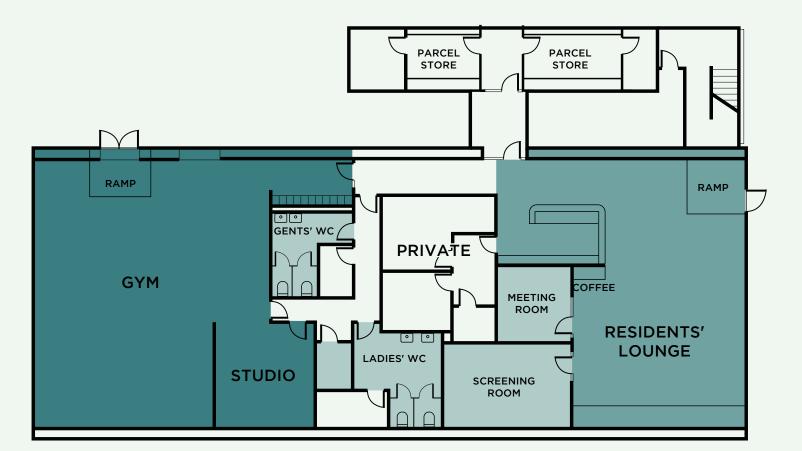

THE **PARKSIDE CLUB**

From the moment you pick up your keys, you'll have access to all the exclusive amenities The Green Quarter already has to offer. Residents-only facilities are just a short walk across Central Gardens and include a relaxing lounge and co-working space as well as a fully-equipped gym, fitness studio and much more.

FACILITIES INCLUDE: GYM **LOUNGE & CO-WORKING** SPACE CONCIERGE **COFFEE STATION SCREENING ROOM MEETING ROOM PARKING**[†]

ROSEMARY HOUSE

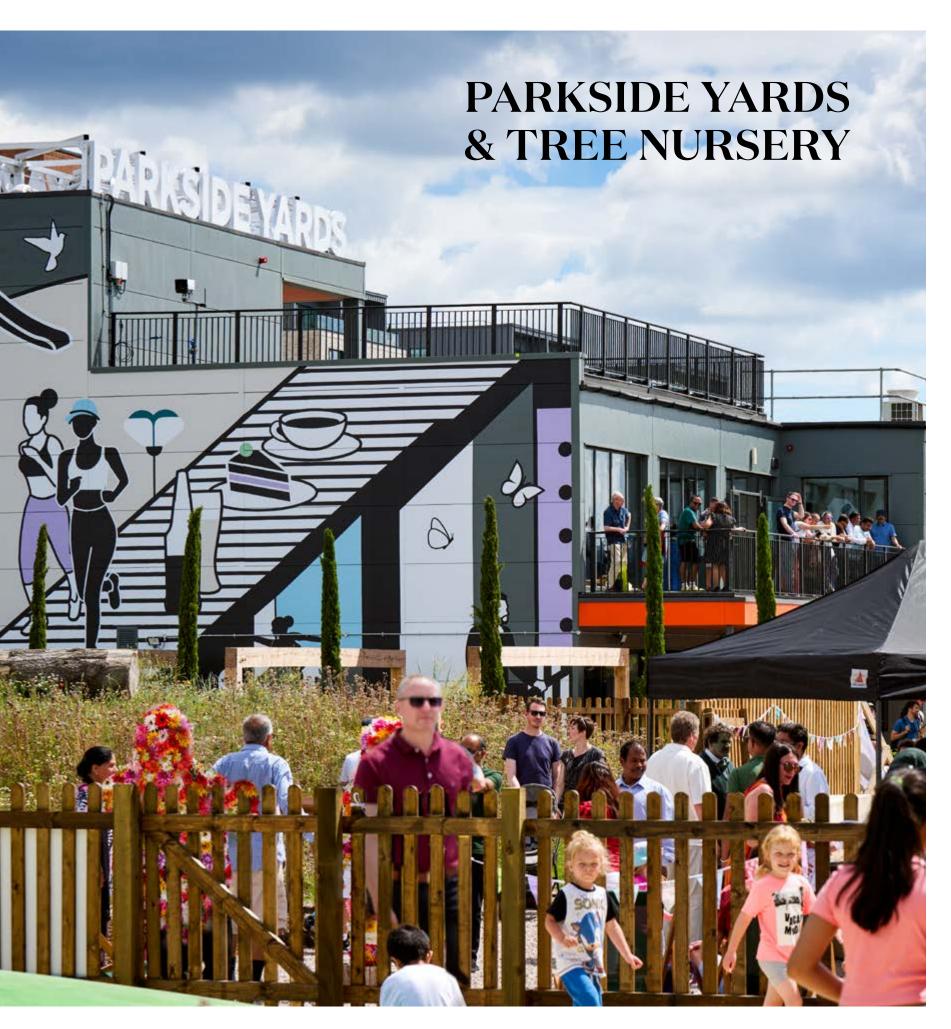

ANAL-SIDE

THURSDAY DISCUSSION

As The Green Quarter community continues to grow, so will the residents-only facilities. You'll soon enjoy access to even bigger and better amenities as well as a new swimming pool.*

Parkside Yards at The Green Quarter has added a new cultural space and exciting arts programme to the community and features a ceramics studio, community centre, café, plant store and an airstream offering pizzas. This will also add to the expanding parkland in the area with a pioneering tree nursery, woodland trail and children's play area with a jumping pillow.

Parkside Yards is a vibrant new hub, bringing communities together through an exciting arts programme, flexible working spaces, and an outdoor piazza at its heart offering opportunities to eat, meet, drink, shop and play against the backdrop of green surroundings.

1 Southall Coffee House

Take a break and savour delicious food and beverages crafted with locally sourced ingredients, enjoy dining alfresco in the piazza or cosy up in the café.

2 Pinsafresco Pizzeria

Discover Pinsafresco. The home of authentic Pinsa Romana pizza, straight from the heart of Italy in Southall. Get ready to experience a taste sensation like no other, served alfresco in the piazza.

3 Tree Nursery & **Woodland Trail**

Immerse yourself in nature and discover the beauty of our on-site tree nursery and serene woodland trail.

4 Children's Play Area & **Giant Jumping Pillow**

Watch your little ones laugh and play in our vibrant children's play area, complete with a giant jumping pillow for endless fun.

5 Plant Life London A diverse range of indoor plants including cactus, succulents, calatheas, crotons and many more, to add some colour and freshness to your home or office.

6 YarnTings

Beautiful hand-dyed luxury yarns and fibres that can be used for knitting, weaving and crochet creations.

7 OPEN Southall

Unleash your creativity with ceramics, sewing, quilting, and more. Join taster sessions and workshops to learn new skills and express yourself.

8 Parkside Padel Club Socialise, keep fit and have fun on one of the three new padel courts.

THE TREE NURSERY

Designed in line with The Green Quarter's aim to be one of the country's most biodiverse new developments, a new on-site tree nursery has been created at Parkside Yards, one of the first at a UK development. The nursery currently features over 600 air-potted trees, with species native to the British isles including Hornbeam, Black Alder, London Plane, Crab Apple, Wild Cherry, Lime and Silver Birch.

600 **AIR-POTTED TREES** FROM SPECIES NATIVE TO THE BRITISH ISLES

A woodland nature trail for children runs through the nature trail, featuring carved wooden animal statues. Once matured, the trees will be planted around the development, creating habitats for wildlife, improving air quality and helping us foster a greener and more sustainable future for generations to come.

"Berkeley is well-known for quality, so we were excited to search out new ways to ensure everything flows seamlessly - from each apartment, through the building and out onto the gardens outside."

----- UNA BARAC ATELLIOR

INSPIRED INTERIORS

Interior designer, Una Barac at the Atellior studio, tells us why they are so excited to work with Berkeley and what makes the interiors at Rosemary House quite unlike anything else.

OUR VISION FOR THE INTERIORS AT ROSEMARY HOUSE BEGAN WITH THE IDEA OF NATURE FOLLOWING YOU INDOORS.

We wanted to continue Berkeley's attention to detail and commitment to creating exceptional places that have something intrinsically special about them. So our concept was built on effortlessly connecting the outdoors to what's inside, and vice versa. This also gave us an opportunity to produce two colour palettes so we could offer residents two different interior styles to choose between.

'THE EVERGREEN' IS A TIMELESS AND ELEGANT INTERIORS PALETTE, WHEREAS 'THE NATURAL' IS A FINGER-ON-THE-PULSE KIND OF STYLE.

As the name suggests, The Evergreen was inspired by nature and has softer details. The green tiling and timber units not only connect to nature, they also provide residents with a blank canvas on which to make their mark. The Natural is a fresh, contemporary design featuring sleek alpine white and timber effect kitchen cabinets along with snow gloss tiles to the kitchen creating a clean look and feel. The darker Indigo vanity tile to the bathroom gives it a statement design.

IT IS THE MATERIAL DETAILS THAT **REALLY EMPHASISE THE QUALITY OF THESE BERKELEY HOMES.**

There are so many examples but we love the wooden shelving. We pride ourselves on incorporating bespoke joinery into our designs and the open kitchen shelving just allows you to picture all your favourite things in one place.

ROSEMARY HOUSE

'REMARKABLE BY NATURE' HAS BEEN THE DEFINING ELEMENT ACROSS ALL THESE DESIGNS.

One thing that is so remarkable about nature is its longevity, and this is reflected in the way we have chosen materials for sustainability as well as style. Berkeley also gave us a great opportunity to do something different with Rosemary House. We love the details in each apartment - like the pendant lights in the bathrooms - but also some of the bigger features of the building itself, including the stunning entrance lobby. Anyone who sees it for the first time really will feel as if nature has followed them inside before being greeted by the kind of space you might only ever find in a grand upscale hotel.

ROSEMARY HOUSE

Two carefully considered material palettes allow you to choose your own unique interior style. These spacious, bright and airy living spaces are flooded with natural light, creating the perfect space for you to relax and unwind.

All of Rosemary House apartments enjoy private balconies.

THE SPACE TO ENTERTAIN

The interior designers have developed a choice of two distinct palettes to suit a range of tastes, which are designed with materials handpicked for sustainability as well as style.

Each design concept includes integrated energyefficient appliances such as fridge freezer, oven and induction hob. There is also plenty of space to entertain family and loved ones, within the open plan kitchen, dining, living area that is designed to be shared.

These are apartments designed for modern living. The kind of spaces in which you'll feel equally comfortable entertaining or kicking off your shoes and taking it easy.

Stylish contemporary designs featuring natural timber flooring.

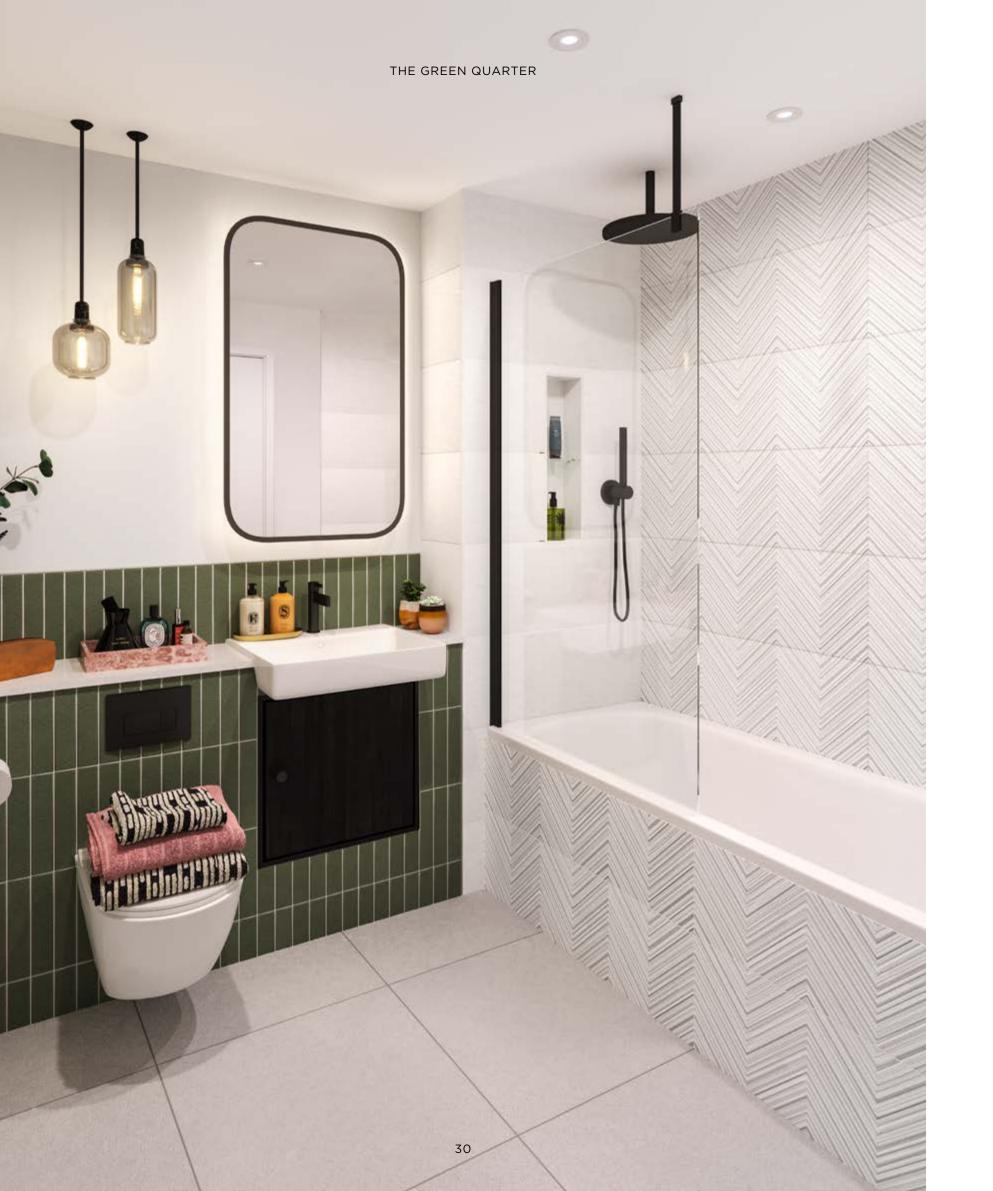

0

A RELAXING RETREAT

The bedrooms at Rosemary House can be the tranquil haven you've always dreamed of. Vibrant and bold or natural and minimalist, you can style your private sanctuary how you want. Deep, soft carpets feel luxurious beneath your feet, while the recessed lighting allows you to create a welcoming ambience and settle in for a cosy evening.

The bedrooms include fully fitted wardrobes so you have ample storage space.* With floor-toceiling windows overlooking The Green Quarter and plenty of space to make your mark, these stylish, sophisticated bedrooms are the perfect place to get away from it all.

MATERIAL DIFFERENCE

Bathrooms at Rosemary House add a touch of drama and glamour to what can often be just functional spaces. There is thoughtful attention to detail in the matte black finishes including the vanity mirror with internal shelving, monoblock mixer taps, shower heads and the heated towel rail, giving these bathrooms the edge.

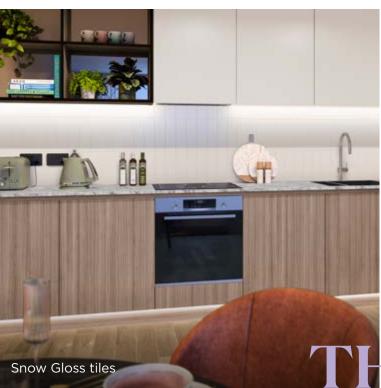

Low-hanging, smoked-glass pendant lamps are reminiscent of a boutique hotel. The vertical, coloured tiles, combined with lighter, stone coloured tiles featuring 3D chevron pattern, make these stylish bathrooms a real talking point for your guests!

YOUR CHOICE **OF PALETTE STYLES**

Be inspired by contemporary interior options and choose the home of your taste, finished in either The Natural or The Evergreen.

KITCHEN Alpine White and timber effect cupboards to the kitchen.

BATHROOM

The Natural is a fresh, contemporary design featuring sleek Alpine White cupboards and Snow Gloss tiles to the kitchen with a darker Indigo vanity tile to the bathroom.

THE NATURAL PALETTE

Stylish bathrooms with feature vanity tiles.

KITCHEN Green smoke cupboards with whisper coloured tiles. Referencing the natural world just outside, The Evergreen offers an organic backdrop onto which you can add your own style.

THE EVERGREEN PALETTE

The Evergreen features subtle green and earthy tones, referencing the natural world just outside, and a seamless connection between the timber style flooring and customised cupboards with handleless soft-close doors.

BATHROOM Stylish bathrooms with feature vanity tiles. ROSEMARY HOUSE

Each finish has been hand-picked to accentuate the space, light and design of your apartment.

STYLE ENHANCED

Berkeley has established a collection of high quality fixtures and fittings that uniquely belong to Rosemary House.

DESIGNED FOR LIFE

At Berkeley, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance wellbeing and quality of life for residents and visitors. Where people feel a sense of community.

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need - well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions.

And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

CHOICE AND DIVERSITY

No two Berkeley customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

QUALITY FIRST TO LAST

Quality is the defining characteristic of Berkeley developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

GREEN LIVING

We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, promote recycling and enable residents to choose sustainable transport options.

COMMITMENT TO THE FUTURE

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don't just build for today; we build for the future too.

Protection for new-build home buyers

TRANSFORMING TOMORROW

At Berkeley Group our passion and purpose is to build quality homes, strengthen communities and improve people's lives. We are innovating, pushing boundaries and taking action to ensure we have a long-term, positive impact that is good for our customers, the communities we touch, our business and the world around us. We transform underused sites into exceptional places and we're also transforming the way we work; embracing technology and raising standards, as we continue to deliver an outstanding customer experience and create high-quality homes that delight our customers. Our Vision 2030 is our ten year plan which sets out how we will achieve this.

TRANSFORMING **PLACES**

Working with local people and partners we create welcoming and connected neighbourhoods where you can be proud to live.

St George St Edward

St William

St Joseph

TRANSFORMING LIFESTYLES

Taking action on climate change and giving you ways to live more sustainably. We're building efficient homes that use less energy over their lifetime, with sustainable travel choices on the doorstep.

TRANSFORMING NATURE

Creating beautiful places with habitats that help nature to thrive, meaning that every site is left with more nature than when we began.

TRANSFORMING **FUTURES**

Helping people to reach their potential through apprenticeships and training, and programmes supported by the Berkeley Foundation.

THIS IS HOW WE ARE ENSURING SUSTAINABILITY AT THE GREEN QUARTER

PEOPLE, PLANET, PROSPERITY

Sustainability is fundamental to Berkeley's ethos. In simple terms, we want to ensure the longterm health, wellbeing and prosperity of people and the planet. There are a range of ways we are managing and minimising the environmental impact of our operations and delivery of homes and communities. These are the initiatives we have implemented at The Green Quarter.

NATURE AND BIODIVERSITY

Parkland, trees, flowers, green roofs, ponds, hedges, gardens - these are the fundamentals of a thriving natural environment that can be enjoyed by everyone. They are all part of our commitment to net biodiversity gain on our developments. Within and around The Green Quarter, we have created natural habitats that encourage wildlife to flourish. We are working with the London Wildlife Trust and Applied Landscape Design (ALD) to engage residents in the natural landscapes that we have created.

WASTE AND RECYCLING

We actively encourage all residents to reduce their waste wherever possible. Recycling is integrated within the design, be it externally in the surrounding environment or as part of your kitchen, making it easier to separate and recycle waste.

WATER EFFICIENCY

Our homes are designed to high water efficiency standards and are fitted with dual flush WCs, and low-flow taps and showerheads which use less water without compromising convenience and comfort. We also suggest simple steps to reduce water consumption, such as not leaving taps running unnecessarily. Individual homes and apartment buildings also benefit from rainwater harvesting, which is used in gardens and landscaped areas.

ENERGY EFFICIENCY

Efficient use of electricity and gas helps lower fuel bills and reduces carbon emissions. Our homes have been designed to use less energy than a standard home. They have enhanced levels of thermal insulation, airtightness and continuous Mechanical Extract Ventilation. All lighting is low energy and kitchen appliances are selected to deliver high levels of energy efficiency.

NOISE REDUCTION

We can't eliminate noise, but we consider the impact of it in the design of our homes. We consider external noise, such as from nearby roads, and internal noise including the transfer between rooms and floors. We incorporate measures to reduce the different types of noise wherever possible to create a quieter environment.

CLEAN AIR

It is hard to avoid polluted air, particularly in our cities. Throughout The Green Quarter we have planted trees, shrubs and flower beds to help create a cleaner air environment. Within our homes we provide mechanical ventilation to filter the internal air.

SUSTAINABLE TRANSPORT

The Green Quarter is within walking distance of Southall railway station. Electric car charging points, car club and fitness trails encourage the use of sustainable methods of transport, to help reduce air pollution around the development and the wider area. These active methods of transport also help encourage healthier lifestyles.

STEWARDSHIP

Maintaining our communal open spaces and facilities in perpetuity is an important benefit to the whole community. We work with POD Management and residents to ensure the development remains in pristine condition.

FUTURE-PROOF DESIGN

From the early stages of design, we assess how our homes will stand up to the future effects of climate change, such as how they might be impacted by higher summer temperatures, periods of drought, or more extreme rainfall. We are constantly researching how we can ensure our homes and developments are more resilient to these extremes to understand what new innovative technologies we should use in our future designs.

MYHOME PLUS

MyHome Plus is an online service that is designed to help you manage key aspects of your new home at any time from anywhere around the world.

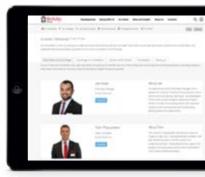

PLEASE SCAN TO SEE MORE ABOUT MYHOME PLUS

your customer journey.

FILING CABINET

In the filing cabinet section you can access documentation relating to your new home immediately at your own convenience.

NEXT STEPS

Your Sales Consultant will send you instructions to create and validate your MyHome account. Once your account is validated, your Sales Consultant will assign your property to your MyHome account and your account will be upgraded to a MyHome Plus account.

*If you cannot make it to the appointment, the options can be discussed over the telephone and selected via MyHome Plus. Customer Service will need to receive your choices selection by the deadline date, which will be given in advance

This section provides you with an overview of MyHome Plus' key features to enhance

This section provides an introduction to your dedicated Sales Consultant, Customer Relations Manager and Customer Service Manager. You will be able to view their contact details and to contact them directly from the platform.

When you buy a home with us, you will have the option to choose some of your home finishes. This will be subject to the development and property building stage but it's a chance to make it feel truly yours. You will be able to see the different options, the selection deadline date and submit your choice in this section of MyHome Plus. See the "next steps" section for further detail on this.

()4

CONSTRUCTION PROGRESS

Under this section, regular updates on the construction of your new property will be provided, keeping you up to date on the progress on site and the local area. Your **Customer Relations Manager** will issue regular newsletters and photographs to this section throughout your journey.

View and download your buying and living guides to support you step-bystep through your journey with us.

Your Customer Relations Manager will then be in touch to invite you in to our Show Apartment to view the interior selections available for the internal finishes that you have an option to select.*

OUR RECENT ACCOLADES

The Berkeley Group, and all the companies within the Group, has continued to strive for the best, and has received many awards for design, construction and health & safety.

It is not only experts from our industry we have received recognition from, 98% of our customers would recommend us to a friend.
